

Introducing Our Service Catalog

# NirVijay Service Catalog

Professional Finance & Accounting Solutions for  
Scaling Businesses

# Our Value Proposition

Expert Finance Solutions Without Overhead

## Access to Expertise

NirVijay provides expert remote finance and accounting services, giving ambitious SMBs access to qualified professionals without the burden of full-time hires, serving various industries effectively.

# Core Essentials Services

## Bookkeeping

Our bookkeeping services ensure accurate recording of all financial transactions, providing clear visibility into your business's financial health and making tax time stress-free and efficient.

## Reconciliation

Monthly bank and credit card reconciliations help maintain accuracy by confirming that your financial records match bank statements, ensuring no discrepancies arise that could affect your financial outcomes.

## Reporting

We provide basic Profit & Loss and Balance Sheet reports to keep you informed about your business's performance, aiding in decision-making and strategic planning for future growth.

## VAT/GST Support

Our VAT/GST return preparation support ensures compliance with tax regulations, allowing you to focus on running your business while we take care of tax obligations efficiently.

---

# Growth Accelerator Services

## Monthly Accounts

Our Monthly Management Accounts provide a comprehensive view of your financial health, including Profit & Loss, Balance Sheet, and Cash Flow, enabling informed decision-making and effective strategy development.

## KPI Dashboards

KPI dashboards deliver real-time insights into your business performance, allowing you to track key metrics and make data-driven decisions that align with your growth objectives and operational efficiency.

## Budget Analysis

The Budget vs. Actual analysis helps identify variances, ensuring you stay on track with financial goals while fostering accountability and proactive management for your organization's budgetary needs.

## Advanced Reporting

Advanced revenue and cost reporting provides deeper insights into profitability, enabling strategic adjustments to pricing and resource allocation, ultimately driving sustainable growth and enhancing overall business performance.

---

# Strategic CFO Services

## Financial Leadership

Our executive-level financial leadership provides strategic guidance that aligns with your business goals, ensuring you have the insights needed to make informed decisions for growth.

## Cash Flow

Cash flow forecasting and modeling enable effective financial planning, ensuring you can navigate fluctuations and maintain liquidity while pursuing your growth objectives and strategic initiatives.

## Fundraising Support

We offer comprehensive fundraising support including deck preparation and management of data rooms, facilitating a smooth process as you seek investment and financial backing for future growth.

## Board Preparation

Our service includes preparation for board meetings, equipping you with detailed reports and insights, ensuring you present a clear financial picture that drives impactful discussions and decisions.

# Why Choose Us

## The NirVijay Commitment to Excellence

Businesses globally are turning to NirVijay for expert finance and accounting solutions. Our approach is centered on **transparent communication** and robust reporting, ensuring that clients have the insights they need for informed decision-making. We understand the unique challenges faced by scaling businesses, which is why we deliver **scalable solutions** that evolve with your growth. Our cloud-based systems ensure secure collaboration, making it easier for teams to work together seamlessly regardless of location. With a proven track record, clients across various industries trust us to provide clarity and control over their financial landscapes. We prioritize understanding your business's specific needs, allowing us to tailor our services effectively. By partnering with NirVijay, you access a wealth of expertise with a commitment to your success.

# Client Impact

## Proven Results for Our Clients

NirVijay has consistently delivered outstanding results for our clients, exemplifying the effectiveness of our services. Here are some key impacts we've achieved:

- **40% average cost savings** compared to in-house finance teams, allowing businesses to allocate resources more efficiently.
- **2x faster month-end close cycles**, enabling timely decision-making and agility in financial management.
- **100% compliance accuracy** across various jurisdictions, ensuring our clients meet regulatory standards without stress.

Our approach emphasizes transparency, scalability, and a commitment to excellence, making us a trusted partner for businesses aiming to enhance their financial operations.
